

# PRAYER TO OUR BEAUTIFUL BELOVED MOTHER

Dear Beautiful Belovéd Mother, we come to You with prayers for healing of mind, body and spirit. We ask You to please hear our special concern and to please place our needs before Your Beautiful Belovéd Son who You nurtured and cared for with all Your Precious Loving Immaculate Heart.

Please help us to release all fears and doubts that cause us anxiety, and please bring us peace and comfort through Your Blesséd Intercession.

Please let us be receptive to God's Will and please help us to learn compassion through our suffering.

Please teach us to love others as brothers and sisters in Christ and please give us the strength and understanding to forgive and to receive others' forgiveness.

Beautiful Blesséd Mother, please help us to grow closer to Your Beautiful Belovéd Son in everything we do. Please renew our spirit and restore our soul through Your Intercession. We seek Your Guidance and Protection, remembering these words;

“Please Create a pure heart in us,  
Oh God, and please put a new and loyal spirit in us”.  
All this we pray in Our Beautiful Blesséd Lord's name  
Amen.
